

ASTOUNDING BEAUTY AT PURA DALEM BANJAR TIMBUL BHHHII MAY 14

From the dystopian predictions of Covarrubias to the present time, people have declared - Bali's finished, it's fucked - Paradise Lost! They haven't been to Banjar Timbul, north of Tegallalang. Green and golden fields, bordered by avenues of palm and verdant ravines, as far as the eye can see. This is WHITEBAIT and HANDJOB territory, more recently penetrated by MUSTAPHA SHITE, BARNACLE BALLS and CUMONYERBACK. Yessir, all these HASHERS played their part in our prosecuting their paradisiacal trail. WHITEBAIT had a word or two to say about the calling being appalling rather than enthralling. Time you buggers minded your backs and those behind them. Still too many competitive arseholes galloping heedlessly over the horizon. EVERY FRONT RUNNER MUST CALL ON ON AND ENSURE THAT THERE IS AT LEAST ONE OTHER HASHER BEHIND THEM. Is that clear?

Heavenly spot by fung shui forest full of birds and squirrels. Perfect for a pee. To crown it all it was Tumpek Uduh/pengatag to honour our fruiting trees and no environmental degradation.

Wonderful turnout - top of the bleeding bungalow (house) said RINGTAIL - what would we do without her? Good to see CHLAMYDIA again Jogging in Jogja said she. HORMY HERRING's Norse Saga endured in honour of Constitution Day (May 17), though the perpetrator himself now more vulcan than viking. SERIAL OFFENDER dominated proceedings with brio and, when it was all over, WORM condescended to carry me home in his piece of shit. And now, laze an' gem, to BALLI BUDAYA CULTURE VILLAGE for BHHH 45 bash - even day of the week right - Monday May 16. HASH HOUSE HARRIERS HIKE TO HEAVEN in starship of RINGTAIL & 69ER. SEE you there.
